**Subject:** Burlington-Winooski Bridge Project Open House - Save the Date

## Project Update

**DATE:** November 18, 2024

### **PROJECT UPDATE:**

Thank you for your continued interest in the Burlington-Winooski Bridge project! We have exciting information to share with you about the upcoming Public Informational Open House and Bridge Aesthetic Survey, and we invite you to check out the Proposed Improvements page on the [project website](#).

### **UPCOMING PUBLIC INFORMATIONAL OPEN HOUSE:**

The Burlington-Winooski Bridge Project Team is excited to announce that we will host an Open House. During this event, the Project Team will provide information about the bridge and intersection projects and share details about traffic impacts during construction. The public will also have an opportunity to provide feedback on bridge aesthetics.

**When:**

Wednesday  
December 11, 2024  
4:30 PM to 6:30 PM

**Where:**

Main Street Landing Performing Arts Center  
Lake Lobby Room  
60 Lake Street  
Burlington, VT 05401

Everyone is welcome to attend! Enjoy light refreshments, snacks, and fun activities for kids and adults to provide input on the aesthetic features of the new bridge.

A survey will be available for public input, showcasing options for lighting, traffic barriers, and pedestrian railings. The survey will be available at the Open House and through the project website. Information Presented during the Open House will be made available on the project website through a Virtual Open House beginning on December 12th. However, we encourage everyone who can to attend the event in person!

There will be more information on the Open House available on the project website in the coming weeks, including parking and public transit information for the event.

### **UPCOMING PUBLIC PRESENTATIONS:**

The Project Team will present at the Burlington City Council Meeting on November 18th. More information can be found on the [City of Burlington website](#).

### **PAST PUBLIC PRESENTATIONS:**

The Project Team recently presented information about the Burlington-Winooski Bridge Replacement at the Winooski City Council meeting on October 21st and at the Burlington Transportation, Energy, and Utilities Committee (TEUC) on October 29th. The Meeting presentations can be viewed on the [Project Documents page](#) of the project website.

### **CONTACT US:**

If you would like to contact the project team, please email Kimberli Owens at [kiowens@HNTB.com](mailto:kiowens@HNTB.com). Or please submit a comment to the project team using [project website](#).

**PROJECT LOCATION:**

The Burlington-Winooski Bridge is located between Burlington and Winooski carrying US Routes 2 and 7 over the Winooski River.

This project includes improvements to the intersection south of the bridge in Burlington, involving Riverside Ave, Colchester Ave, Mill St, and Barrett St.

**PROJECT SCHEDULE:**

Phase I  
Preliminary Design: 2023-2026

Phase II  
Final Design & Construction: 2027-2030
