Subject: Burlington-Winooski Bridge Project Open House Reminder

Project Update

DATE: December 10, 2024

PUBLIC OPEN HOUSE REMINDER:

Please join us on Wednesday, December 11th, from 4:30 PM to 6:30 PM at Main Street Landing Performing Arts Center in Burlington, VT. This event is a great opportunity to learn more about the Burlington-Winooski Bridge Replacement and Intersection Improvement Project. Come ask questions directly to project team members and share your opinions by taking the bridge aesthetic survey.

When:

Wednesday
December 11, 2024
4:30 PM - 6:30 PM

Where:

Main Street Landing Performing Arts Center
Lake Lobby Room
60 Lake Street
Burlington, VT 05401

Everyone is welcome to attend! Stop by to enjoy light refreshments, fun activities for kids, and interactive stations for the public to provide input on the aesthetic features of the new bridge.

To learn more about parking and transit options for the event, visit the [project website](#).

PAST PUBLIC PRESENTATIONS:

The Project Team recently presented information about the Burlington-Winooski Bridge Replacement and Intersection Improvement Project at the Burlington City Council meeting on November 18th. The meeting presentation can be viewed on the [Project Documents page](#) of the project website.

VERMONT ROAD SAFETY SURVEY:

Our partners at the VTrans State Highway Safety Office are gathering input from Vermont road users to better understand their experiences and concerns regarding road and highway safety. We encourage you to take a few moments to complete the survey and share your feedback. Please note that while this effort is part of VTrans' safety initiatives, it is not connected to the Burlington-Winooski Bridge Replacement Project.

CONTACT US:

If you would like to contact the project team, please email Kimberli Owens at kiowens@hntb.com or call (802)276-0348. You may also submit a comment to the project team using the project website.

PROJECT LOCATION:

The Burlington-Winooski Bridge is located between Burlington and Winooski carrying US Routes 2 and 7 over the Winooski River.

This project includes improvements to the intersection south of the bridge in Burlington, involving Riverside Ave, Colchester Ave, Mill St, and Barrett St.

PROJECT SCHEDULE:

Phase I
Preliminary Design: 2023-2026

Phase II
Final Design & Construction: 2027-2030
