Subject: Updates for the Burlington-Winooski Bridge Project

Project Update

DATE: October 17, 2023

PROJECT UPDATES:

Thank you for your interest in the Burlington-Winooski Bridge project!

As the project moves forward, we will have many updates to share including information about future public meetings, project status and milestones, and more. Please also refer to the [project website](#) for additional information.

PUBLIC MEETING PRESENTATION:

Thank you to everyone who attended the public meeting on September 19, 2023. Approximately 120 people attended both in-person and virtually. We were thrilled with the level of participation and interest in the project.

If you were unable to attend the public meeting, the presentation, a summary of what was presented, and a video recording of the presentation (including the Question & Answer Session) can be accessed below.

Future public meetings will occur and will be advertised on the project website, project update emails, local news, local social media, and more. Stay tuned for information on the next public meeting being planned for early 2024.

COMMUNITY EVENTS:

The project team would like to thank *Arts so Wonderful* and all the members of the community who came out on September 23, 2023 to help repaint the mural located on the Winooski side of the bridge!

We look forward to supporting and attending another community event soon!

PROJECT LOCATION:

The Burlington-Winooski Bridge is located between Burlington and Winooski carrying US Routes 2 and 7 over the Winooski River.

PROJECT SCHEDULE:

Phase I - Preliminary Design: 2023 to 2026
Phase II - Final Design and Construction: 2027 to 2029
