Subject: Burlington-Winooski Bridge Project Update

Project Update

DATE: March 22, 2024

PUBLIC MEETING PRESENTATION:

Thank you to everyone who attended the public meeting on January 23, 2024. Approximately 112 people attended both in-person and online. We were thrilled with the level of participation and interest in the project. For those who attended online, we'd like to apologize for the audio issues during the Public Forum portion of the meeting.

If you were unable to attend the public meeting, the presentation, a summary of the Public Forum, and a video recording of the presentation can be found on the project website and can be accessed below.

TRAVEL SURVEY:

Thank you to everyone who participated in the Burlington-Winooski Bridge Travel Survey! The project team now has a better understanding of how you feel navigating the bridge, your preferred modes of travel, and how often you travel across the bridge. Your contribution is greatly appreciated!

If you would like to review the results of the Travel Survey, they can be found [here](#).

CONTACT US:

If you need immediate assistance, please email Jennifer Zorn at jzorn@hntb.com. Or please submit a comment to the project team using the [project website](#).

PROJECT LOCATION:

The Burlington-Winooski Bridge is located between Burlington and Winooski carrying US Routes 2 and 7 over the Winooski River.

PROJECT SCHEDULE:

Phase I
Preliminary Design: 2023-2026

Phase II
Final Design & Construction: 2027-2030
